## Clubs & Sports Key Deadlines and updates

Hi everyone! As mid semester is officially here, we have decided on updating you weekly regarding important deadlines for Clubs and any other relevant information we get about the transition to the new Swinburne Student Association

Please see below some deadlines from the Clubs & Sports team for Semester 2 📌

📌 **Transition Information:** At this time, you know as much as we do regarding the SSA transition. What we do know is that certain systems and processes may become unavailable for a period, and we will notify you as soon as we have more information.

📌 **Event Submission Deadline:** As a reminder, clubs are required to host two approved events per semester to remain eligible for re-registration. The deadline to submit your Event Notification Form (ENF) is September 22nd. Please note, the event must be either no-funds or micro to qualify.

If you are unsure whether your club must run more events, please feel free to email us on [clubs@swin.edu.au](mailto:clubs@swin.edu.au) to arrange a meeting with your Officer and discuss further.

📌 **Finance Cut-off Date:** To ensure a smooth transition to the new SSA, the Finance team has set a **Finance Cut Off date of October 31st, 2024**. Please make sure all finance-related items are submitted and processed by this date, as any requests after this date will not be actioned.

📌 **Feedback:** If you have any feedback regarding the SSA transition or the communications and information shared throughout the year, please feel free to reach out to us at [sschange@swin.edu.au](mailto:sschange@swin.edu.au).

information!

Warmest regards,  
**The Clubs Team**
